Bruce Stock Trading Is Suspended

NEW YORK (AP)—The American Stock Exchange today suspended trading in the stock of E. L. Bruce Co. after the firm announced that the president of the company had withdrawn \$1,953,000 from the company without authorization.

Edward M. Gilbert resigned as president Tuesday after making the disclosure to directors of the New York City firm that makes hardwood flooring, doors and other lumber products.

The exchange's committee on securities, acting before the opening today, based the suspension on the announcement of Gilbert's resignation by the company's chairman, E. L. Bruce Jr.

The trading suspension will continue until further notice pending developments, the stock exchange said.

Bruce stock was the most active on the exchange Tuesday, closing at \$15.38 a share, a 1962 low and off \$3.25 for the day on volume of 39,000 shares.

Bruce, who also was elected president of the firm, said that Gilbert's withdrawals had taken place between May 28, the day the stock market suffered its steepest decline since 1929, and June 6.

Cats, Cats, Cats and Dogs, Dogs

BOSTON (AP)—Cats, and cats, and cats. Dogs, and dogs, and dogs.

That's what police found in a Hyde Park dwelling when they broke down the door after neighbors complained of offensive odors.

On the ground floor, the officers counted 111 dogs of all sizes, shapes and breeds.

Upstairs, there were some 60 cats, black, calico, large, small—all kinds.

Animal rescue league crews removed the menagerie and police took a 63-year-old widow to Boston State Hospital for mental observation.

Police said the animals were well fed but the house wasn't fit for a dog or cat to live in.

Festival to Bring Out Candidates

WARREN, Ark. (AP)—Warren's Pink Tomato Festival may provide the first opportunity for voters to see all six Democratic gubernatorial candidates on one platform.

Bob Newton, festival chairman, said today the six Democratic candidates and one Republican, Willis Ricketts of Fayetteville, had accepted invitations to speak Saturday.

Only Republican Harold Sadler of Little Rock did not accept an invitation, Newton said.

The Arkansas Press Association tried to get all eight candidates together this weekend at its convention in Fort Smith but Democrats Orval E. Faubus and Dale Gribble did not appear.

Ricketts and Democrats Sid McMath, Kenneth Coffelt, David A. Cox and Vernon Whitten spoke at Fort Smith.

Ricketts will not appear in person but will send a representative, Newton said. It was possible some of the Democrats might send spokesmen.

Newton said candidates who do appear will draw for speaking positions. The first talk is scheduled for 10 a. m.

The two-day tomato festival starts Friday. Other highlights include crowning of a Miss Pink Tomato and a golf tournament.

Autopsy Shows Child Smothered

HOT SPRINGS, Ark. (AP)—An autopsy has revealed that six months-old Dennis Smith died from a lack of oxygen.

Prosecuting Attorney David Whittington requested the autopsy after the boy's mother, Mrs. Geneva Arline Smith of Hot Springs, announced in church last Wednesday night that she had smothered the child in her lap.

Whittington said the autopsy showed nothing was physically wrong with the infant at the time of death. He said microscopic bruises were found on the back of the child's head.

A first degree murder charge was filed against the 22-year-old mother Tuesday.

Whittington said he would ask the Garland Circuit Court today for a mental examination of Mrs. Smith at the State Hospital.

Shrine Social Brings Trials Unexpectedly

The Honorable I. C. Fezzes, alias Carlwell E. Heer of Little Rock, made an unexpected visit to Hope Tuesday night and held court at the social of the Hope Shrine Club at the Hope Country Club. Shriners, their wives, and guests witnessed mock trials of several of the men and one woman Mary Anita Lasten. She received a bouquet of red roses instead of the fine invoked on the others charged.

After a potluck dinner Hope Shrine Club President Webb Lasten, introduced the guests of the evening. These included Noble and Mrs. Perry Stewart, Noble and Mrs. W. H. Walters, Noble and Mrs. Ellis Fagan, Shrine secretary Mrs. Louise Barber, all of Little Rock, Noble and Mrs. O. N. Bell of Texarkana, and Noble and Mrs. L. E. Davis of Ozan.

Gratitude was expressed to the group of ladies who were the Kitchen Committee. Mrs. Herbert Burns, Mrs. R. E. Cooper, Mrs. Roy Anderson, Mrs. Charles Graham, Mrs. George Wright and Mrs. George Frazier. Games were played under the direction of entertainment committee chairman George Frazier, assisted by H. M. Olson, with prizes awarded the winners. Sixty-two attended the party.

Thinks Move to Disrupt Market

WASHINGTON (AP)—Rep. E. C. Gathings, D-Ark., said Tuesday two recent moves by the Agriculture Department will disrupt the rice market and saddle rice growers with financial losses.

Gathings, who represents one of the largest rice-producing districts in the country, said he joined others in personal protests to Agriculture Secretary Orville L. Freeman.

The moves, he said, are the department's announcements of preliminary value factors for use in determining 1962 crop rice price supports, and the 13-cent per hundredweight reduction in support prices.

Department officials said they will study the situation and talk with Gathings again.

Preparation for Another Balloon Test

A handful of workmen are busy at Municipal airport setting up gondolas in preparation for a huge balloon which will undergo a second test here probably this month.

Apparently vitro Laboratories of Maryland will handle the launching slated for around June 25 if all goes well. The big balloon is en route to Hope now.

The first flight, made in March, has been declared a success by Dr. Martin Schwarzschild of Princeton University. He directs the tests, which are part of the Stratoscope II experiment.

The goal is to launch a balloon with a telescope by October to get a clearer view of the stars and planets.

The first balloon and the one to be launched later this month, carry dummy payloads. The first balloon was controlled by radio from a pursuing airplane.

The balloon ascended 14 miles and floated 600 miles east into southern Georgia after two days in the air.

Alcoholism Is Disease, Kiwanis Told

Alcoholism is recognized by the American Medical Association as a "disease" that affects the body mentally and physically and some five and a half million persons in the United States are plagued by it, Charles Clark of Little Rock told the Hope Kiwanis club yesterday.

Mr. Clark is field director of the State Commission on Alcoholism, a state agency which is little known by the general public.

Purpose of the agency is to rehabilitate the "problem drinker" some 38,000 to 40,000 in Arkansas, the speaker pointed out.

Mr. Clark appeared on a program arranged by Attorney James H. Pilkinton who praised the efforts of the state organization for its work in aiding those persons who "take a drink and lose control of themselves."

Mr. Pilkinton also told of some of his experience as a former chancery judge in committing alcoholics to the State Hospital and of the many problems that faced the family which was left behind.

Burglars Depart 'Tearfully'

LITTLE ROCK (AP)—Burglars broke into a Little Rock auto and truck supply company Monday night, bent on burgling a safe. Police said they apparently used a hammer and an automobile drive shaft in an attempt to dislodge the dial.

Instead, they broke open a bottle of tear gas located behind the dial.

The tearful yogges then attempted to enter the safe through the back wall—brick, it was.

Nothing was reported missing.

Mills Against Proposed Tax Cuts

WASHINGTON (AP)—The chairman of the powerful House Ways and Means Committee says he does not support proposals for an across the board tax cut.

The statement Tuesday by Rep. Wilbur D. Mills, D-Ark., posed an immediate threat to President Kennedy's announced intention of seeking a tax cut from Congress early next year.

In another development, Sen. Eugene McCarthy, D-Minn., said today he is considering trying to write a general tax cut this year into the Kennedy administration's tax revision bill now before the Senate Finance Committee.

Mills, who heads the committee that handles all tax legislation in the House, said while testifying before another House committee, "You have not heard me advocating tax reduction this year or next year."

"I have not committed myself to that course of action. I have not said I would be for a reduction in our total revenues while we are spending more than we are taking in."

Kennedy has proposed a tax cut next year as a means of stimulating the economy and reducing unemployment.

Mills told the committee that he favors a broad scale revision of tax laws which the administration is expected to propose as a companion measure with the tax cut. But he made it plain he won't support a measure that might throw the budget for the next fiscal year out of balance, adding to the national debt.

Conviction of Murder Is Voided

LITTLE ROCK (AP)—Judge Gordon E. Young voided Tuesday the first degree murder conviction of Clarence Stewart Jr., a 24-year-old Negro, because of racial discrimination on the jury.

Stewart, who lived near Scott, was convicted in March, 1960, for the slaying of William N. Caldwell, 79, of North Little Rock, Jan. 8, 1959.

Young gave the state seven months in which to try Stewart again on the same charge, or he would be released on a writ of habeas corpus. Prosecutor John T. Jernigan said if the state attorney general's office did not appeal the decision to the federal Court of Appeals at St. Louis, Stewart would be tried again within the seven-month period.

Stewart is in the State Penitentiary under death sentence now.

Young said he was bound by a ruling in the Luther Bailey case to void Stewart's conviction. The judge said the Appeals Court found that Negroes were systematically excluded from juries in Pulaski Circuit Court at Bailey's trial, and Stewart's jury was arranged under the same laws that applied then.

Bailey was retried and convicted of rape.

Since the Bailey case ruling, the number of Negroes on the petit jury panels has been increased and the jury commissioners have dropped the designation of race panels on the jury lists. In addition, jury panels from the civil divisions, where no Negroes are selected, can no longer be used in the criminal division.

St. Charles Plans Battle Observance

ST. CHARLES, Ark. (AP)—Residents of St. Charles will observe the 100th anniversary of the Battle of St. Charles Sunday.

Carlton Harris chief justice of the Arkansas Supreme Court, will be the featured speaker, and Dr. John L. Ferguson, executive director of the Arkansas History Commission, will give an account of the battle at this Arkansas County community on the White River.

A small group of Confederates lost the battle with a Federal gunboat fleet. But a shot from a Confederate cannon sailed through the porthole of a Federal vessel and hit a steam drum, which exploded and killed about 150 of the 175 men on board.

A Marine Corps group from Little Rock will furnish a color guard for a military ceremony. A wreath will be placed in the White River in memory of Union and Confederate soldiers who died in the battle.

Laos Situation Encouraging, JFK Declares

By LEWIS GULICK

WASHINGTON (AP)—President Kennedy told Soviet Premier Khrushchev today that the formation of a coalition government in Laos is very encouraging.

Kennedy replied to a message from Khrushchev in which the Soviet leader said the agreement on a coalition government could serve as a guide to the solution of other problems between East and West.

"The formation of this government of national unity under Prince Souvanna Phouma marks a milestone in the sustained efforts which have been put forward toward this end, especially since our meeting in Vienna," Kennedy told Khrushchev.

"It is equally important that we should now press forward, with our associates in the Geneva conference, to complete these arrangements and to work closely together in their execution. We must continue also to do our best to persuade all concerned in Laos to work together to this same end."

"It is very important that no untoward actions anywhere be allowed to disrupt the progress which has been made."

Kennedy agreed with Khrushchev that continued progress in a settlement of the Laotian problem can be helpful in leading toward the resolution of other international difficulties.

"If together we can help in the establishment of an independent and neutral Laos, securely sustained in this status through time, this accomplishment will surely have a significant and positive effect far beyond the borders of Laos," Kennedy said in his message.

"You can count on the continued and energetic efforts of the government of the United States toward that end."

Kennedy's reply to Khrushchev's message was dated June 12 and was made public by the White House this morning.

Food Firm Can Cancel Its Lease

LITTLE ROCK (AP)—Judge J. Smith Henley has authorized Twentieth Century Foods Corp. of Salem to cancel its lease on a building at Willow Springs, Mo.

The building, owned by Morgan Flood, was used as a receiving station.

Henley also said Twentieth Century could cancel a lease-purchase agreement with the Dairy Equipment Co. of Madison, Wis., for two 4300-gallon transport trucks to haul fluid milk from Willow Springs to the processing plant at Salem.

The moves Henley approved were requested by Russell J. Benton, trustee of the corporation. Benton said he wanted to dispose of property no longer needed by the firm to make more money available for operating capital.

Benton also asked Henley for authority to sell a company-owned building at Salem to Bill Martin for \$125,000, with 6500 of the sale proceeds to go to Ray C. Carter, real estate agent.

Henley said he would approve the sale if Benton could show legal authority for the \$500 commission. The building housed a retail feed store formerly operated as a sideline by Twentieth Century.

Minoso Nurses Injured Wrist

ST. LOUIS (AP)—"It's too late
for me to be afraid of the wall,
to be afraid of the ball," says
Minnie Minoso. "It will never
happen. I could not be afraid."
He sat in the empty St. Louis
Cardinal dressing room Tuesday
night squeezing the handle of a
bad with his right hand, trying
build up the muscles in his in-
jured wrist.

The 40-year-old veteran fructured
his head and his wrist last
month when he hit the concrete
left field wall in Busch Stadium
while chasing a ball. He is on the
disabled list.

"I got hurt on the job," he said
in broken English. "There is nothing
I can do. That is destiny."
"If I die on the field, it is a
good place to die."

Minoso said he gets "a little
lonesome. Sometimes I sit in the
dressing room during the game,
sometimes I sit at home. I pinch
me in my head—not that I think
I do better than other men—but
it is hard not to play. It makes
you mad that you can't do any-
thing for the team—just practice
and hope for them."

Sheppard-O'Steen
Wedding Vows Exchanged

The Sanctuary of Calvary Baptist Church of Warren, Ark. was the setting Sunday, June 10 at 3 p. m. for the candlelight ceremony of Miss Dawana Cathryn O'Steen and Howard Sheppard. Rev. Elbert O'Steen, father of the bride, read the double ring ceremony.

The bride is the daughter of Rev. and Mrs. Elbert O'Steen of Warren, formerly of Hope and Mr. Sheppard is the son of Mr. and Mrs. Clarence Sheppard of Beebe.

Preceding the ceremony, David Anderson, organist, presented a program of nuptial music and accompanied Mrs. Burgess Williams, vocalist.

Vows were exchanged before a soft setting of palms and baskets of Gladioli flanking a wrought iron dome archway adorned with wedding bells. Burning candles near each basket illuminated the setting.

Escorted to the altar and given in marriage by her brother, Dwain O'Steen of Springfield, La., the bride was lovely in her wedding gown of silk organza. Her fingertip veil of Nylon illusion was held in place by a pearl crown. She carried a cascade of pink sweetheart roses, shasta poms and ivy. Her only jewelry was a strand of pearls, a gift of the groom.

Her Coffee Break Is Breaking His Heart

By HELEN WORDN ERSKINE

My fiancé and I just can't agree on something I regard as trivial and he as serious. In desperation we turn to you, I work a swing shift from four to midnight. His hours vary. Occasionally I stop for coffee on the way home — sometimes when he is working another shift or sleeping. He says a girl going alone into a coffee shop after midnight is fair game for any man and considered

cheap. I'm not unattractive but as yet no man has ever asked me to join him. I go into a coffee shop for one purpose — to get a cup of coffee, a sandwich, and leave. I can't for the life of me see why a girl who minds her own business would look cheap alone in a prosaic, unromantic coffee shop. I feel that until we are married, which will not be for another seven months, I have the right to lead my own life without in

terference. My fiancé says he trusts me but feels I am not showing the proper respect for his wishes. What do you think?

—Baffled
Dear Baffled: So long as you're satisfied that what you are doing is all right, your fiancé should not quibble. After all, for a woman to work on the late shift is in

itself a declaration of feminine independence. Your man thinks in terms of the Victorian era when a lone woman visited a restaurant after midnight for only one purpose — to be propositioned. Nowadays, if a woman keeps nocturnal hours, nobody thinks the worse of her since, like yourself, she has a legitimate reason for

being on the streets or in a coffee shop. In the years when I wrote the New York World, I rode the subway at four in the morning, stopping first for a cup of weak coffee in a drug store. I lived in West 67th Street where so many artists and writers had studios. Continued on Page Four

The few men abroad at that hour never gave me a second glance because I minded my own business; nor did my friends think me cheap because of the owl's hours I kept.

If your fiancé showed more concern for your physical safety and less over what people think, I'd be on his side. Ask him to buy you one of those shrill little whistles which can be heard blocks away. Carry it in your purse.

Dear Helen: The one boy I love in all this world has asked me to marry him. What could be more wonderful? The only trouble is he thinks me but 22 when actually I am 29. He, alas, is just 21. My friends and family believe him to be much older. Should I tell him the truth? —Confused

Dear Confused: Tell your boy friend the truth now, emphasizing the fact that age is more psychological than physiological. If you don't, he'll learn the facts from some one else and think you trapped him.

Yankees Win, Return to League Lead

By MIKE RATHET
Associated Press Sports Writer

The fourth place Los Angeles Angels crept within a game and a half of the first-place New York Yankees Tuesday night and Lee Thomas provided the punch in a 7-5 victory over Minnesota.

The 26-year-old left-handed pitcher hit his eighth and ninth homers against the Twins, connecting with one on in the third and tagging another with the bases empty in the seventh.

The defeat dropped the Twins from the league lead into third place. The Yankees took over the top spot with a 2-1 triumph over Detroit. Cleveland, rained out at Washington, moved percentage points ahead of Minnesota into second place.

Kansas City edged the Chicago White Sox 2-1 on Dave Wickenscham's three-hitter and Boston squeezed by Baltimore 4-3 in other games.

In the National League, second-place San Francisco whipped Cincinnati twice, 2-1 and 7-5, moving within a game of first-place Los Angeles, belted by Milwaukee 15-2. Pittsburgh defeated Chicago's Cubs 4-3. St. Louis nipped Philadelphia 3-2 and Houston clipped the New York Mets 3-2. Although Thomas provided the fireworks for the Angels, it took a three-run outburst in the sixth inning to snap a 3-3 tie and subdue the Twins. Felix Torres' single drove in the tie-breaker as the Angels got the benefit of four walks in the inning.

Bill Stafford (6-3) held the Tigers to three hits until the ninth when singles by Rocky Colavito,

Legion Team Captures 1st Victory

In Hope Junior American Legion's second game of the season they took their first win from Arkadelphia 7 to 2. The scoring began in the fourth with Barksdale singling; then Danny Key sent him to second and third on an error. Jackie Russell sent these two home with a single and Russell came in on an error all third.

In the sixth Key, who walked, scored again on a hit from Gus Robey. Three more were added in the seventh when Carl McMurtrey and Jabo Horton, who walked, were sent in by a double from Jerry Burnett, who came home on a hit by Earl Ray Murphy.

The big hitters for the night were Murphy and Robey with two singles each, Burnett a double, and Barksdale, Key, and two singles each, Burnett a double, and Barksdale, Key, and Russell a single.

McMurtrey was the winning hurler, striking out sixteen, yielding only two hits and walking four.

Arkadelphia's two runs came in the fifth from Lemons, the losing pitcher, and Grigsby.

Vic Wertz and Chico Fernandez scored a run and snapped a string of 25 scoreless innings compiled by the Yankee right-hander. Roger Maris hit home run No. 11 in the third inning after the Yanks had moved ahead in the first on Phil Linz' single, a sacrifice by Bobby Richardson and Johnny Blanchard's single. The loser was Yankee nemesis Frank Lary (1-4), now 20-11 lifetime against New York.

Wickersham, reliever turned starter, won his fourth against one loss as a front-liner with a three-hitter for the A's and brought his over-all record to an impressive 7-2. White Sox starter Juan Pizarro (9-5), who allowed only eight hits, lost it when a single by Manny Jimenez, Gino Cimoli's triple and a single by Joe Azcue scored two runs in the eighth.

Frank Malzone drove in the first three Red Sox runs with a single and two-run homer. Carroll Hardy knocked in the clincher with a double in the third and robbed Jim Gentile of a grand slam homer in the sixth. Boston's Gary Geiger cut down the potential tying run in the ninth by throwing Dick Williams out at the plate, preserving the triumph for Ike Delock (1-0). Jack Fisher (1-2) lost it.

Giants Take 2, Dodgers Lose But Hold First

By MIKE RATHET

Associated Press Sports Writer

Halting the tinspin which dropped them out of the National League lead, the San Francisco Giants snapped their six-game losing streak Tuesday night, sweeping a doubleheader from Cincinnati 2-1 and 7-5 and moved back within a game of the first-

place Los Angeles Dodgers.

The Dodgers, rolling with seven victories in nine games and 20 in 24, ran into a 17-hit, five-homer Milwaukee outburst behind Lew Burdette's six-hit pitching and lost a game and a half of their lead with a 15-2 clobbering by the Braves.

The defending champion Reds fell from third place to fifth. Pittsburgh moved into third, 7½ behind, by edging the Chicago Cubs 4-3 and St. Louis nipped Philadelphia 3-2.

In the American League, the New York Yankees regained first place by beating Detroit 2-1 while Minnesota was losing to the Los Angeles Angels 7-5. Cleveland,

rained out at Washington, jumped to second while the Twins slipped to third. Kansas City defeated the Chicago White Sox 2-1 and Boston downed Baltimore 4-3.

Juan Marichal (9-4) checked the Reds on seven hits in the opener and drove in the winning run in a two-run seventh inning surge that put it away for the Giants.

Orlando Cepeda drove in four runs for the Giants in the high-cap with two homers—a three-run shot in the first and a solo in the fifth that eventually proved to be the deciding run. Moe Drabowsky (1-5) was the loser.

Burdette, (4-4), recording his second complete game in a row and fourth consecutive triumph, retired 19 in a row at one stretch while the Braves were pounding

Johnny Podres (3-5) and two successors, Hank Aaron, who had three hits, and Ed Mathews each hit home run No. 11 and Gus Bell, Frank Bolling and Tommie Aaron also connected. Mathews' homer was the 361st of his career, tying him for eighth place with the Yankees' Mickey Mantle.

Outhit by the Cubs 11-8, the Pirates scored two runs in the first and two in the second for their fourth victory in a row. The Pirates then held on behind Harvey Haddix (5-2) and relief ace El Roy Face. Glen Hobbie (1-8) lost it.

Rookie Fred Whitfield tagged a two-run homer off Paul Brown (0-5) in the eighth inning to win it for the Cardinals. Brown had opened the seventh with a double

and scored to put the Phillies in front 2-1. The victory, the eighth in nine games for St. Louis, went to former Phil Don Ferrarese (1-2).

Joe Amantano's single drove in pinch runner Roman Mejias with the winning run and climaxed a two-run uprising in the last of the ninth that gave the Colts their victory over the Mets. An infield single by Billy Goodman and Pidge Browne's pinch-hit triple off Craig Anderson (3-6) preceded Amalfitano's game-winner. Ken Johnson (4-6) was the winner.

James Buchanan, first bachelor to be elected President of the United States, was the only president to remain unmarried.
